## **Positions** Betty Midnight

This is the HOTTEST collection from Betty Midnight! Featuring 15 short stories all about HOT HOT sex! It's called Positions because that's what it's all about... read Nighty 69, Handtied Blowjob, The Titfuck, Hello Handjob, Chair Fuck, and 10 more stories!

Betty chose 15 stories because her favorite number is 69... and 6 plus 9 equals 15...

—  
Sample...

She started to rock her ass forward and back, asking for Jake to get her.

Jake smiled and put his hands on her ass over the nighty.

Then he slowly moved the silky cloth up over Stephanie's ass. He expected to find a thong waiting for him, but instead found that Stephanie had come to bed with nothing on except the nighty.

Her bare pussy lips stared back at him, slightly opened, and wet.

Stephanie came up on Jake's cock and went back down again, starting to blow him.

Jake let out a soft cry and then took his finger and stuck it into Stephanie's pussy.

Stephanie moaned and started going at Jake's cock. She went up and down, moving her head side to side, making sure not a single spot on his penis went unnoticed.

Jake felt his legs tense up as Stephanie's hot mouth and spit covered his dick.

He put his hands on her bare ass and pulled her towards him. He let his tongue run wild on her pussy, licking up and down, deep inside, and when he found her clit, he stayed there, knowing it was indeed her spot. Her pussy began to shake as Stephanie tried to control herself, but Jake remained focused on her clit...

### From reader reviews:

#### **Evelyn Spencer:**

The book Positions can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Positions? Wide variety you have a different opinion about book. But one aim this book can give many details for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or data that you take for that, you are able to give for each other; you are able to share all of these. Book Positions has simple shape however, you know: it has great and massive function for you. You can seem the enormous world by open and read a guide. So it is very wonderful.

#### **Colin Rousey:**

What do you regarding book? It is not important along with you? Or just adding material when you really need something to explain what the ones you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everybody has many questions above. The doctor has to answer that question simply because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need that Positions to read.

#### **Rebecca Goza:**

In this 21st century, people become competitive in every way. By being competitive currently, people have do something to make these people survives, being in the middle of the actual crowded place and notice through surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading a reserve your ability to survive increase then having chance to stand up than other is high. To suit your needs who want to start reading a book, we give you this kind of Positions book as nice and daily reading reserve. Why, because this book is usually more than just a book.

#### **Sebrina Knapp:**

This Positions is brand new way for you who has interest to look for some information given it relief your hunger of information. Getting deeper you upon it getting knowledge more you know otherwise you who still having little bit of digest in reading this Positions can be the light food to suit your needs because the information inside this particular book is easy to get by simply anyone. These books build itself in the form and that is reachable by anyone, sure I mean in the e-book contact form. People who think that in guide form make them feel sleepy even dizzy this reserve is the answer. So you cannot find any in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss the item! Just read this e-book sort for your better life and also knowledge.
