Representation Monica Brito Vieira, David Runciman

What is representation? What does it mean when a politician represents citizens in government? How can citizens be represented beyond the boundaries of the nation-state?

These are just some of the questions which will be answered by David Runciman and Mónica Brito Vieira as they explain why representation should be understood as one of the key concepts in modern politics. The first part of the book examines the historical roots of the concept of representation, from its origins in ancient Rome through to its role in the revolutionary politics of the modern world. The second looks at different varieties of representation – in law as well as politics. The final part asks how the concept of representation can help us think creatively about current and future challenges facing the world.

Representation is too often treated as a secondary or qualifying idea – as in the phrase ‘representative democracy’. This book argues that we have this the wrong way round. Representation is the foundational idea in almost all areas of our political life. Making sense of representation in its own terms is crucial for seeing why democracy functions the way it does, and for exploring how it might function differently.

From reader reviews:

James Alvarez:

Book is to be different per grade. Book for children until adult are different content. As we know that book is very important normally. The book Representation seemed to be making you to know about other knowledge and of course you can take more information. It is very advantages for you. The reserve Representation is not only giving you much more new information but also being your friend when you really feel bored. You can spend your spend time to read your publication. Try to make relationship using the book Representation. You never feel lose out for everything if you read some books.

Sarah Tomczak:

Here thing why that Representation are different and reliable to be yours. First of all looking at a book is good however it depends in the content of computer which is the content is as delicious as food or not. Representation giving you information deeper as different ways, you can find any publication out there but there is no e-book that similar with Representation. It gives you thrill reading through journey, its open up your own eyes about the thing this happened in the world which is maybe can be happened around you. You can easily bring everywhere like in park, café, or even in your approach home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Representation in e-book can be your option.

Pearl Dyson:

Your reading 6th sense will not betray anyone, why because this Representation e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written with good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still question Representation as good book but not only by the cover but also through the content. This is one publication that can break don't determine book by its handle, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Mary Bessler:

Is it anyone who having spare time subsequently spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Representation can be the response, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?
