Veiled Empire Nathan Garrison

The Empire is Shrouded, not only by the barrier that covers the land, but by the lies and oppression of the mierothei regime. Magic is the privilege of the elite, and the people of this shadowed country have forgotten what it means to hope under their rule.

But there are some who would resist, with plans put into motion millennia before. For returned to the Empire is a valynkar, servant of the god of light, and with him come the strength and cunning that could tip the scales to end the Emperor's reign. He has gathered a group of heroes ready to ignite the flame of rebellion and fight against the dark power that has ruled for nearly two thousand years. A power that has champions of its own.

Nathan Garrison's *Veiled Empire* throws a mythical land into chaos, with races long thought forgotten, and magics only just discovered. Steel and sorcery clash as brave souls vie for freedom and control in this astonishing debut novel.
