This Christmas, the Barnes family will receive a gift that will teach them about life; about sacrifice and about giving. When the perfect Christmas gift turns out to have a serious medical problem, the Barnes family relies on their faith to keep things in perspective. They find a way to turn a critical prognosis into a blessing.

In true Collie tradition, Jack rescues a lost Boy Scout, chases off an intruder and saves the Barnes girls and the neighborhood from dangerous wildlife more than once. Jack seems to help most situations just by being there, but let's not forget the never-ending mischief that this Collie brings to the Barnes home, causing everyone to stay on their toes 24x7!

Kevin Brett recreates the child-like enchantment and romance of the Collie stories of old with this delightful tale of a family and their Collie. Jack's herding abilities are put to good use with almost everything except sheep! His ancient wolf instincts serve him well, as he becomes the perfect addition to the Barnes family. Jack rollicks and romps his way through the Barnes's home and their lives, changing all of them in ways they had never expected.

This Christmas, discover the gift that each of us carries inside, as a family learns that life is not as perfect as our dreams, but sometimes our dreams may come true in ways we might not ever imagine.
