Life Is Not A Bed Of Roses or Is It? Eloise Faris

Life Is Not A Bed Of Roses'I have heard this statement all my life, but I stand to disagree with such a quote. Yet I cannot think of a better way to describe life in its true form. for the rose represents all the beauty of life. While the tiny briars represents the petty little annoyances of life that one just can't shake off so easy. And the long thorns' represents the trouble in life that we all try to avoid. I hope the readers of this book will find something to relate to that is happening in their own life. I write for readers who are searching for a deeper understanding.Please look for more of my books in the near future My heart says "Thank You" for buying this book.Enjoy! E.M.F.
