OCCUPATIONAL THERAPY FOR CHILDREN, Mosby's top selling Occupational Therapy book and a market leader, has been fully updated for the 4th Edition with many new features. It maintains its focus on children at many ages and stages in development, comprehensively addressing both treatment techniques and diagnoses in all settings. The 4th Edition builds on the existing strengths of the text, with improvements in the individual organization of each chapter, a greater overall consistency, updated photos and illustrations, the addition of a second color to clarify and improve the visual interest of the book, more case studies, and expanded and revised information on many topics. OCCUPATIONAL THERAPY FOR CHILDREN continues in its reputation as a dependable and outstanding source for occupational therapy undergraduate students, graduate level students, and practitioners.
