### **22 Original Modern Monologues for Actors and Actresses** Nate Golon

After returning to his former scene study class in Los Angeles in the summer of 2014, author Nate Golon found that the same monologues were being performed by actors and actresses that he had seen countless times years earlier. Nate became inspired to write a collection of original comedic and dramatic monologues, many touching on life in our ever-changing modern time. Useful for theater, acting classes and auditions, these monologues provide the actor or actress with a fresh voice, and previously unseen material.
