## **Every Move You Make** Nikki Winston

Change the way you move . . . and you can change the way you feel, the way you act, and the way you're perceived. That's the promise of **EVERY MOVE YOU MAKE: Bodymind Exercises to Transform Your Life**. We've long known that changing our mental or emotional focus can help change our physical state (think of stress management for patients at risk for heart attacks or visualizations to improve athletic performance). It's the mind-to-body connection, and it's something that's readily accepted in today's world. Less well explored is the other side of the equation: the relationship between body and mind: Change your physical state and you can change your mental or emotional focus; change the way you move in deliberate, carefully prescribed ways—that is, repattern your body—and you can repattern your mind, emotions, and spirit in ways that let you live your life more fully, more authentically, and more joyously. **Every Move You Make** gives you practical tools in the form of ten basic movements that help stimulate and support changes you need to make your life work better. Also included are several partner exercises to improve the quality of your relationships. The movements are easy and relaxing to do, and are illustrated in photographs throughout the book. Chapters address different aspects of life: self-image, stress, career, creativity, relationships, sexuality, anxieties, and compulsions. You'll identify with the case studies of real people that Nikki Winston has worked with—all of whom have successfully made the changes described.

### From reader reviews:

#### **Mora Miller:**

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each publication has different aim or goal; it means that book has different type. Some people sense enjoy to spend their time for you to read a book. They may be reading whatever they consider because their hobby is actually reading a book. Think about the person who don't like reading a book? Sometime, man feel need book whenever they found difficult problem or even exercise. Well, probably you should have this Every Move You Make.

#### **Stephanie Carlton:**

The book Every Move You Make can give more knowledge and also the precise product information about everything you want. So just why must we leave the good thing like a book Every Move You Make? Wide variety you have a different opinion about book. But one aim this book can give many details for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or information that you take for that, it is possible to give for each other; you are able to share all of these. Book Every Move You Make has simple shape but the truth is know: it has great and big function for you. You can seem the enormous world by wide open and read a reserve. So it is very wonderful.

#### **Carol Johnson:**

This Every Move You Make is great publication for you because the content that is full of information for you who always deal with world and still have to make decision every minute. This book reveal it data accurately using great manage word or we can claim no rambling sentences within it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with splendid delivering sentences. Having Every Move You Make in your hand like keeping the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this reserve already do that. So , it is good reading book. Heya Mr. and Mrs. occupied do you still doubt in which?

#### **Jonathan Ownby:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Every Move You Make can make you feel more interested to read.
