**Methods for Political Inquiry: The Discipline, Philosophy and Analysis of Politics** Stella Z. Theodoulou, Rory O'Brien

This book presents a readily accessible, systematic approach to politics and its principles, around which political inquiry should be organized. Readers are exposed to materials on the fundamental assumptions of political inquiry in addition to the specific devices necessary for gathering and collecting data about political phenomena. *Methods for Political Inquiry* represents the **only** book currently available that covers the full range of both research methods and research techniques. It incorporates both normative and empirical theory building, as well as qualitative and quantitative research methods, to emphasize why researchers might use one technique over another.
