The Great Comic Book Heroes Jules Feiffer

Jules Feiffer's historic essay, available again in a compact and affordable size.

Fantagraphics is proud to publish Jules Feiffer's long out-of-print and seminal essay of comics criticism, *The Great Comic Book Heroes*, in a compact and affordable size. In 1965, Feiffer wrote what is arguably the first critical history of the comic book superheroes of the late 1930s and early 1940s, including Plastic Man, Batman, Superman, The Spirit and others. In the book, Feiffer writes about the unique the place of comics in the space between high and low art and the power which this space offers both the creator and reader.

The Great Comic Book Heroes is widely acknowledged to be the first book to analyze the juvenile medium of superhero comics in a critical manner, but without denying the iconic hold such works have over readers of all ages. Out of print for over 30 years, Feiffer's book discusses the role that the patriotic superhero played during World War II in shaping the public spirit of civilians and soldiers, as well as the escapist power these stories held over the zeitgeist of America. With wit and insight Feiffer discusses what the great comic book heroes meant to him as a child and later as an artist.

From reader reviews:

Isaiah Owen:

What do you think about book? It is just for students since they are still students or it for all people in the world, what the best subject for that? Just you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't wish do that. You must know how great as well as important the book The Great Comic Book Heroes. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

Cora Spillane:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The data you get based on what kind of reserve you read, if you want attract knowledge just go with education and learning books but if you want truly feel happy read one together with theme for entertaining including comic or novel. The The Great Comic Book Heroes is kind of book which is giving the reader unstable experience.

Emma Anderson:

Do you have something that you want such as book? The book lovers usually prefer to opt for book like comic, quick story and the biggest an example may be novel. Now, why not hoping The Great Comic Book Heroes that give your satisfaction preference will be satisfied by means of reading this book. Reading habit all over the world can be said as the opportunity for people to know world far better then how they react towards the world. It can't be claimed constantly that reading addiction only for the geeky individual but for all of you who wants to possibly be success person. So , for every you who want to start examining as your good habit, it is possible to pick The Great Comic Book Heroes become your personal starter.

Carolyn Rodriguez:

Your reading 6th sense will not betray you actually, why because this The Great Comic Book Heroes reserve written by well-known writer whose to say well how to make book which can be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your current hunger then you still skepticism The Great Comic Book Heroes as good book but not only by the cover but also by content. This is one book that can break don't evaluate book by its include, so do you still needing another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.
