Liam Grayson is his clan's new alpha after the death of his best friend. He's devastated, but he knows the clan needs a leader to move on.

Sophia Withers is trying to move on after the death of her mate. Only, she didn't realize when she pledged to be his mate, she had also pledged herself to his clan. The future of the clan rests on her returning to her rightful position within the clan, or everything could be lost.

When Liam shows up after the clan's two-year mourning period ends to take Sophia as his mate, she refuses to even speak to the notorious sexy playboy. She isn't interested in another broken heart. Although, she doesn't know Liam has been in love with her for years. To him, this isn't about clan duty--this has always been about Sophia.

Bear Again is a STANDALONE in the Second Chance Shifter Series. It contains a broken heart, clan law, and so much heat you'll need to turn on a fan.
