Settling in, but never settling down, Caroline has finally struck a balance between the professional and the personal. As one of the top interior designers in San Francisco, she travels all over Northern California between nook time with Simon.

Perpetual globetrotter Simon has cut his frequent flyer miles in half over the last year, preferring to balance his professional and personal life, as well.

The next step in their lives seems preordained--toasts, veils, and the aisle of rose petals. But when an accident on a photo shoot in Southeast Asia brings Caroline the most terrifying phone call she could ever imagine, she has to ask whether "till death do us part" is a more realistic prospect than faces most couples.

It's been a grand adventure, and Caroline and Simon wouldn't go out without the best surprise ending ever. One part sexy, one part laughter, a dash of exotic locales, and one pink nightie, mixed with passion, and you've got *Last Call*. Served with a side of Clive.
