Breaking Wild Diane Les Becquets

In captivating prose, Diane Les Becquets tells the story of one woman missing in the Colorado wilderness and another bent on discovering the missing woman's whereabouts, in an unforgettably moving and thrilling literary debut.

It is the last weekend of the season for Amy Raye Latour to get away. Driven to spend days alone in the wilderness, Amy Raye, mother of two, is compelled by the quiet and the rush of nature. But this time, her venture into a remote area presents a different set of dangers than Amy Raye has planned for and she finds herself on the verge of the precarious edge that she's flirted with her entire life.

When Amy Raye doesn't return to camp, ranger Pru Hathaway and her dog respond to the missing person's call. After an unexpected snowfall and few leads, the operation turns into a search and recovery. Pru, though, is not resigned to that. The more she learns about the woman for whom she is searching, and about Amy Raye's past, the more she suspects that Amy Raye might yet be alive. Pru's own search becomes an obsession for a woman whose life is just as mysterious as the clues she has left behind.

As the novel follows Amy Raye and Pru in alternating threads, *Breaking Wild* assumes the white-knuckled pace of a thriller laying bare Amy Raye's ultimate reckoning with the secrets of her life, and Pru's dogged pursuit of the woman who, against all odds, she believes she can find.

From reader reviews:

Inez Morales:

Book is actually written, printed, or created for everything. You can understand everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Next to that you can your reading expertise was fluently. A guide Breaking Wild will make you to always be smarter. You can feel far more confidence if you can know about anything. But some of you think in which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they may be thought like that? Have you trying to find best book or suited book with you?

Maria Saad:

As people who live in often the modest era should be change about what going on or facts even knowledge to make these people keep up with the era which is always change and move forward. Some of you maybe will probably update themselves by reading books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which one you should start with. This Breaking Wild is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Melanie Fox:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you could have done when you have spare time, in that case why you don't try point that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Breaking Wild, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh occur its mind hangout people. What? Still don't have it, oh come on its named reading friends.

Ricardo Hempel:

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person similar to reading or as studying become their hobby. You must know that reading is very important and also book as to be the thing. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You discover good news or update about something by book. Numerous books that can you decide to try be your object. One of them are these claims Breaking Wild.
