Isabelle feels she knows what life is all about. With a family tree going back to the eighteenth century, following in the footsteps of her ancestors she joins her grandfather's fashion company in Paris after her graduation, knowing that she will take it over one day. Life is good to her and everything runs its course, however her fate changes when her mother dies in a car accident. But was it really an accident? And how is she able to cope with a letter from her dead mother in which she gets to know her father's name for the first time? Nothing will ever be the same again and she has to make complex decisions to find herself again. Blood Is Thicker Than Water is the first of three chapters of the novel Inheritance. It is a family drama and includes a romance from chapter II onwards.
