Motivation and Personality

Abraham H. Maslow

Motivation and Personality Abraham H. Maslow

From back cover: Here is a general theory of human motivation based upon a synthesis primarily of holistic and dynamic principles. It is a highly readable, systematic presentation of the author's own views, rather than those of other writers or of various schools. Emphasizing the psychology of health, the book offers the standard statement of self-actualization theory and data. Applications are made to the theories of science, personality, transcendence, psychotherapy and personal growth, and general psychology.
