On Thin Ice Susan Andersen

Blood

At first, the victims seem random, casualties of bad luck or bad judgment. But the body count keeps growing, until there's no denying the trail of death that makes its way from city to city. And always, it leads right to Sasha Miller's door.

Runs

Sasha's ice-skating career was almost destroyed when her partner was jailed on drug charges. Through sheer determination she rebuilt her life, yet lately, she can't shake the feeling she's being watched. Undercover DEA agent Mick Vinicor was convinced Sasha had something to hide. Now he's realizing how much she has to fear. . .

Cold

The nightmare has begun again. But this time, the stakes are much higher. Someone has been waiting to make Sasha pay--someone who'll show her that vengeance is twisted, merciless, and colder than the grave. . .

"Riveting and absorbing. . .sensual and emotional. . .dynamic suspense." *–Romantic Times*

From reader reviews:

Phyllis Kelly:

Book is to be different for each grade. Book for children right up until adult are different content. As we know that book is very important normally. The book On Thin Ice seemed to be making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The e-book On Thin Ice is not only giving you a lot more new information but also to become your friend when you truly feel bored. You can spend your own spend time to read your reserve. Try to make relationship using the book On Thin Ice. You never really feel lose out for everything when you read some books.

Samuel Lester:

Information is provisions for individuals to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider if those information which is from the former life are challenging to be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you find the unstable resource then you understand it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take On Thin Ice as your daily resource information.

Jane Rich:

This On Thin Ice is great book for you because the content which is full of information for you who always deal with world and have to make decision every minute. This kind of book reveal it info accurately using great plan word or we can state no rambling sentences within it. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with wonderful delivering sentences. Having On Thin Ice in your hand like finding the world in your arm, info in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt that?

Mohammad Darling:

In this era which is the greater individual or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple method to have that. What you should do is just spending your time very little but quite enough to enjoy a look at some books. Among the books in the top collection in your reading list will be On Thin Ice. This book that is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking upwards and review this e-book you can get many advantages.
