Apophis

Michael Kelly

Apophis Michael Kelly

A practical handbook of Draconian Left-Hand Path Initiation. The Primordial Serpent lurks in the deepest, darkest roots of human consciousness. Each of its seven heads embodies a power which may be awakened within the psyche. 'Apophis' outlines the transformative process whereby the human Initiate becomes something much more than human. It provides the weapons necessary to win the war of consciousness against conformity. It openly teaches the means of immortalising the Self.
