Connecting Social Problems and Popular Culture Karen Sternheimer

Is violence on the streets caused by violence in video games? Do hip-hop lyrics increase misogynistic and homophobic behavior? Are teens promiscuous because of what they see in movies? Popular culture is an easy answer for many of society's problems, but it is almost always the wrong answer. This innovative book goes beyond the news-grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about. The sobering fact is that the roots of poverty, child abuse, and unequal public education are much more complicated than the media-made-them-do-it explanations. Karen Sternheimer deftly illustrates how welfare "reform," a two-tiered health care system, and other difficult systemic issues have far more to do with our contemporary social problems than *Grand Theft Auto* or 50 Cent.

And so there are a lot of benefits that you will get when you buy this book.

Joseph Felder:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Connecting Social Problems and Popular Culture can make you truly feel more interested to read.
