This is the final book in the 'Dangerous Devotion' series by Lucia Jordan, written in her signature style of high passion, emotion and great sex.

What starts out as a wonderful trip with sunshine, laughter, and great sex, quickly turns sinister.

Can Carter find Tori and rescue her before it's too late?

Carter races to find Tori before Mike can hurt her, or worse, kill her. Arriving just in the nick of time, Carter finds Tori bleeding and passed out. He rushes her to the hospital, but Mike manages to get away. Once Tori is released from the hospital, Carter whisks her out of the country and as far away from Mike as possible until Carter's men can find him and kill him. Once Carter gets the call that things are taken care of, he wastes no time claiming Victoria as his for eternity.

Be warned that this ebook contains very hot and explicit descriptions of erotic activity. Only mature readers should download this book.
