In all of them, actually - from Dumbo to Peter Pan to The Lion King -- and had to learn about life and love mostly from what could be gleaned from animated characters, dancing across a screen of color? Asking this question opens a doorway to the most extraordinary of stories. It is the saga of Owen Suskind, who happens to be the son of one of America's most noted writers, the Pulitzer Prize-winning journalist and author Ron Suskind. He's also autistic.
