What is Superwoman Smarts? Aundrea Wilcox shares some of her personal experiences in the boardroom and beyond, as well as the illuminating insights of nine influential and powerful women--and one man--from as far and wide as Washington, D.C., North Carolina, Tennessee and California. **SUPERWOMAN SMARTS** is all about women, but smart men will read it too--for a better understanding of the women in their life. It's about learning from each other, embracing each other, accepting our differences and achieving success, and doing more with what we have--no matter how little we *think* we have, and no matter *who* we are or *where* we are at any point in our life. Women must accept the fact that nobody can have it all. Truly, it comes down to choices, decisions, and action. At the end of the day, we can all have what we truly *want*, if we're SMART about *how* we go about it. So, if you want to dance, you've got to pay the fiddler.
