Andreana Clay

The Hip-Hop Generation Fights Back: Youth, Activism and Post-Civil Rights Politics Andreana Clay

From youth violence, to the impact of high stakes educational testing, to editorial hand wringing over the moral failures of hip-hop culture, young people of color are often portrayed as gang affiliated, “troubled,” and ultimately, dangerous. *The Hip-Hop Generation Fights Back* examines how youth activism has emerged to address the persistent inequalities that affect urban youth of color. Andreana Clay provides a detailed account of the strategies that youth activists use to frame their social justice agendas and organize in their local communities.

Based on two years of fieldwork with youth affiliated with two non-profit organizations in Oakland, California, *The Hip-Hop Generation Fights Back* shows how youth integrate the history of social movement activism of the 1960s, popular culture strategies like hip-hop and spoken word, as well as their experiences in the contemporary urban landscape, to mobilize their peers. Ultimately, Clay’s comparison of the two youth organizations and their participants expands our understandings of youth culture, social movements, popular culture, and race and ethnic relations.

Sally McGarvey:

Precisely why? Because this The Hip-Hop Generation Fights Back: Youth, Activism and Post-Civil Rights Politics is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book close to it was fantastic author who all write the book in such wonderful way makes the content interior easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your skill and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the e-book store hurriedly.

Ann Foley:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Hip-Hop Generation Fights Back: Youth, Activism and Post-Civil Rights Politics can make you feel more interested to read.
