My Father at 100

Ron Reagan

My Father at 100 Ron Reagan

A moving memoir of the beloved fortieth president of the United States, by his son.

February 6, 2011, is the one hundredth anniversary of Ronald Reagan's birth. To mark the occasion, Ron Reagan has written *My Father at 100*, an intimate look at the life of his father-one of the most popular presidents in American history-told from the perspective of someone who knew Ronald Reagan better than any adviser, friend, or colleague. As he grew up under his father's watchful gaze, he observed the very qualities that made the future president a powerful leader. Yet for all of their shared experiences of horseback rides and touch football games, there was much that Ron never knew about his father's past, and in *My Father at 100*, he sets out to understand this beloved, if often enigmatic, figure who turned his early tribulations into a stunning political career.

Since his death in 2004, President Reagan has been a galvanizing force that personifies the values of an older America and represents an important era in national history. Ron Reagan traces the sources of these values in his father's early years and offers a heartfelt portrait of a man and his country-and his personal memories of the president he knew as "Dad."

From reader reviews:

Jeffrey Brill:

What do you regarding book? It is not important along with you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They should answer that question mainly because just their can do that. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this kind of My Father at 100 to read.

John Lopez:

Playing with family inside a park, coming to see the ocean world or hanging out with buddies is thing that usually you could have done when you have spare time, subsequently why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love My Father at 100, you could enjoy both. It is good combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

John Bradley:

Reading a book for being new life style in this yr; every people loves to examine a book. When you study a book you can get a wide range of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, as well as soon. The My Father at 100 provide you with a new experience in examining a book.

Patricia Ramirez:

On this era which is the greater individual or who has ability to do something more are more valuable than other. Do you want to become considered one of it? It is just simple way to have that.
