Three weeks in the boss's bed!

Lucy Proctor watches the women who come and go in Aristotle Levakis' life. She has no desire to join them, despite Ari's devastating good-looks, and is perfectly content as his assistant—or so she tries to convince herself! Ari shouldn't find his prim and plump secretary attractive, but something about her calls to him. He knows there is only one way to overcome this desire—and that is to sate it... Three weeks in Athens should be enough time to get to know his sensible secretary better...!
