THE WOMAN WHO GOT AWAY MARQUES LEWIS

For many people being cheated on is not something they take lightly. For men, it's a sense of pride that is taken away when they find out their mate is not satisfied. Cheating is not good for anyone who is involved. Nick was cheated by his high school sweetheart and after that felt like every woman should be hurt. On his destruction path for women he deliberately has sex with and has no intentions on being in a relationship. When a phone call is received or when they ask for their relationship to go to the next level, he'd walk out and never call them again.
