The provocative new approach to creating a women's integration pathway! Successful, accomplished, and intelligent women have just three questions: 1) Is there a "next stage" after we've achieved career and family success?, 2) Do we have an authentic, practical body/mind/psyche/energy integration pathway?, and 3) Can we access our very own Fountain of Youth? The answer to each is "Yes"! Using Unveiling as a roadmap, women today can confidently chart their way to a new realm of personal fulfillment and happiness. Drawing on a centuries-old "secret code" describing our life journeys, Unveiling shows that the "true path" for adult women is to access all of who we are, instead of being limited to one or two "roles." Along the way, we find that we have our own unique "Heroine's Quest," distinctively different (and for women, much more powerful) than the classic "Hero's Quest." Building on years of study with master teachers from the martial arts as well as from Oriental dance, Unveiling shows how the ancient women's pathway of Oriental dance ("belly dance") helps them cultivate and unify their total essence. Finally, there really is a "Fountain of Youth"! Unveiling reveals the unique power that women have to access and use their sacred, sexual feminine energy! Personal Pathworking steps help readers unveil their own inner journey, revealing their inner beauty, wisdom, power, and - most of all - their sensual juiciness.
